

Rapture and Celebration (Rev 4:1-11))

Preached Sunday, 09/02/18

John experienced a personal spiritual rapture in the first century, foretelling the collective bodily rapture of the Church at the end time. John saw the result of the rapture: a great worship ceremony in heaven. He saw the one, the four, the seven, and the twenty-four; they represent the Father, the Son, the Holy Spirit, and the Redeemed Humanity.
